

COMMUNICATION SKILLS LABORATORY

With globalization, English has become the lingua franca of the world. For a successful career in any field, it is essential that students have good communication skills in English. This course on Communication Skills Laboratory prepares students to adapt themselves with ease to the industry environment, thus rendering them as prospective assets to industries. The course equips the students with the necessary communication skills to excel in their professions. Besides, the Communication skill Laboratory has two segments: Language Lab and Career Lab, the Language Lab is a fully computer system (with internet connectivity and educational software is installed) based Lab. This language lab helps the students to speak better English and prepare themselves for IELTS, TOFEL examinations. And, the Career lab is a total modern learner-centric classroom with audio and visual equipment. The lab helps students to develop soft skills and train students in GD, Interview and public presentations.
