NOTIFICATION

Sub: **University College of Engineering Arni – University Examinations – June/July 2021 – Email Communication of the students with chief superintendent – Instructions - Issued – Reg.**

In connection with the subject quoted above, it has been noticed that some of the students of our institution are found to be sending their email request/grievances relevant to the University Examinations for the office mail ids exclusively created for administrative purposes and some other mail ids, perhaps, are in-operative at present.

It may not be possible for the deputed officials (Invigilators/ Chief Superintendent) of university examinations to entertain the email correspondences of the students sent to the irrelevant mail ids.

(i) Therefore, it is made it clear to the attention of the students that any kind of queries, clarifications, grievances or requests **relevant to the ongoing University Examinations** shall have to be submitted by them only to the following email ids created exclusively for the examination purposes.

1. aucoe5133@gmail.com
2. ucea.cs2021@gmail.com (or) to the email id, from which link is received by the students.

(ii) Further, students are also instructed to make all email communications only from the mail ids provided to this office, for receiving the classroom link.
